**NOTICE OF PROPOSED CHANGES**

CIRM proposed amendments to Regulations 100070 and 100090. The proposed amendments were published by the Office of Administrative Law on May 22, 2009. The public comment period for the proposed regulations concluded on July 6, 2009. Further proposed amendments were the subject of a second public comment period, from October 30, 2009, to November 16, 2009.

Based on public comment received during the initial period described above and since, the CIRM has proposed changes to section 100090. In accordance with the California Administrative Procedure Act, the CIRM is posting the revised regulation for an additional 15-day public comment period.
